Welcoming words from the two General Co-Chairs:

"Dear All,

The opening edition of the international conference on Complex Systems Design and Management Asia (CSD&M Asia) was held at the National University of Singapore last December 10-12, 2014. Almost four hundred speakers and participants, both from academic, government and industry, gathered and worked together during three days with great success. Now the same pleasure is mine to welcome you again to the second edition, this time to be held at the Singapore University of Technology and Design in 2016. The goal of our conference is to bring together, academic researchers, government officials and
